Pumpkins!

Draw your design for a pumpkin and ask an adult to help you draw it onto a pumpkin and carve it out. See how it looks with a light or candle inside!

OR

Make your own orange pumpkin from this super-easy playdough recipe. It's quick and you only need a few store cupboard ingredients.

Recipe:

Makes 1 coloured ball

Prep 10 minutes

- 8 tbsp plain flour
- 2 tbsp table salt
- 60ml warm water
- food colouring Yellow and Red
- 1 tbsp vegetable oil

Method

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring. (You can always add some pumpkin spice or cinnamon to make it smell nice).
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.
